

In school our teachers help us to keep safe by:

Leading collective worship about keeping safe this includes inviting visitors such as the NSPCC to talk to us about safeguarding

We have Health and Safety boards around school which have lots of information on about safety

Mrs Ballance our Learning Mentor is always there to make sure we feel safe, grown ups can talk to her too

At playtimes and lunchtimes we have special rules to follow and safe zones to play in. If we are worried we can see a buddy or the mediator who will help solve our problems

We learn how to keep safe through our SEAL curriculum, in our classroom we have worry bins to write down our worries and help us forget about them.

We have school rules that are there to keep us safe at all times especially on the computers we have Hector to protect us and SID's rules for keeping safe online.

Safeguarding statement

Through our day-to-day contact with pupils and direct work with families, staff have a crucial role to play in noticing indicators of possible abuse or neglect. Parents should be aware, therefore, that where it appears to a member of staff that a child may have been abused, the school is required, as part of local child protection procedures, to report their concerns to social services immediately.

The Headteacher is the designated teacher responsible for child protection. The Chair of Governors is the designated governor responsible for child protection.
