

Understanding the World

- Try to learn some first aid. You could look at [St John Ambulance's](#) YouTube page to learn some new skills.

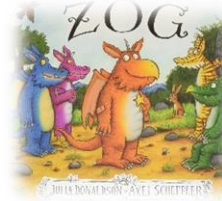

- Look at the 'Picture News' attached and the different activities.

Upper Foundation Stage

Learning from home: Zog (Week 5)

Watch the story [here](#).

Physical development

- Use the [Cosmic Kids Yoga](#) page to practise some mindfulness and stretching at home.

Literacy learning

- Watch the story at home using the link for YouTube.
- Make a poster to share some first aid top tips. Don't forget to share it on our [Twitter](#) page.
- Use the [online Collins dictionary](#) to find out what these words mean: expert, fearsome, triumph and congratulations.

Expressive arts and Design

- Have a go at creating your own crown just like the one Princess Pearl wears.
- See if you can create your own Zog headband like the one in the picture.

- Axel Scheffler is the illustrator of this book. Have a go at creating some illustrations of your own dragon.

RE

In RE we are thinking about the Christian value of **hope**. What are your hopes for your new class family? Have a think and write them down.

This website has some fantastic video clips to explore different feelings, such as happy, worried, shy, lonely or brave.

Explore with Dr Radha Modgil and her two friends, Ben and Breagha.

Mathematics learning

- This week in school we are learning about odd and even numbers. If you split a group of objects into 2 parts and they both have the same amount then the number is even. If you split them and you have one left over, then the number is odd. Watch [this video](#) from Number Blocks!

Normanton All Saints Infant
School

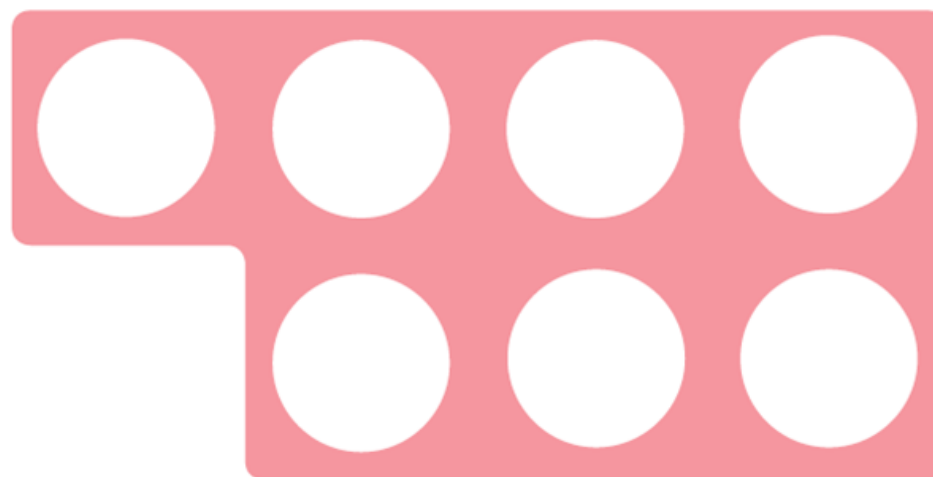

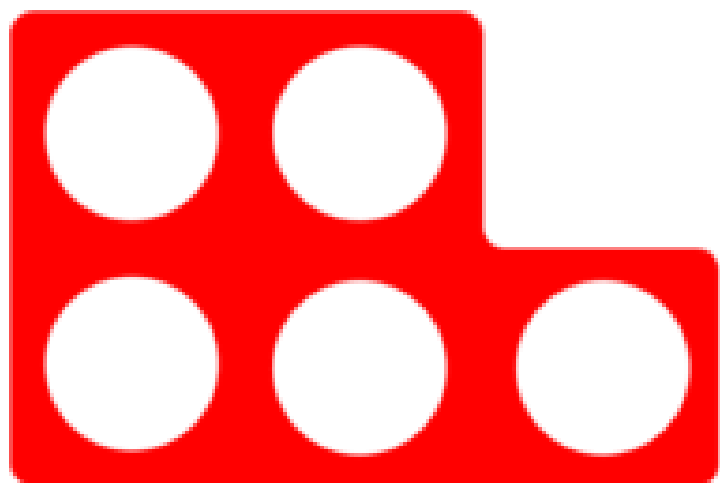

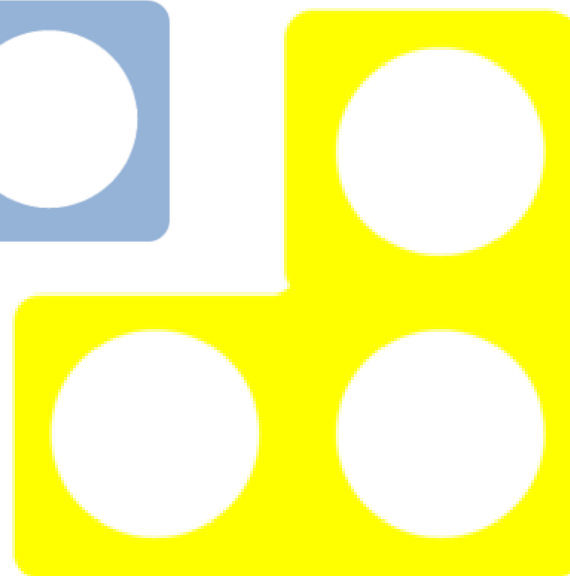

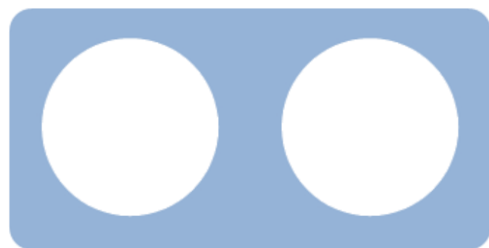

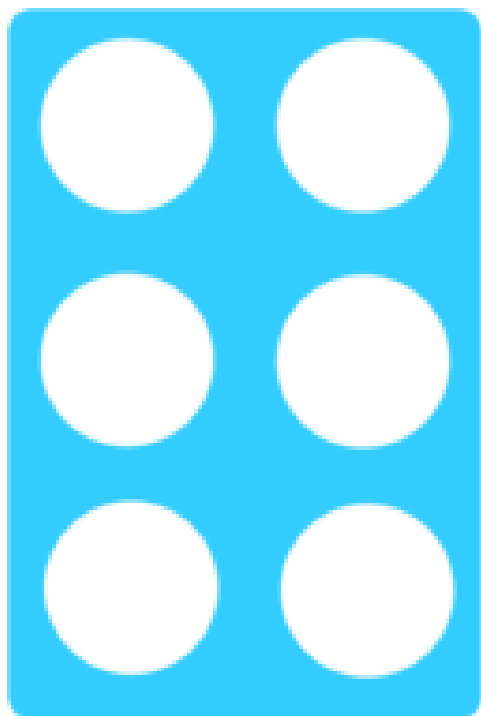

Name: _____

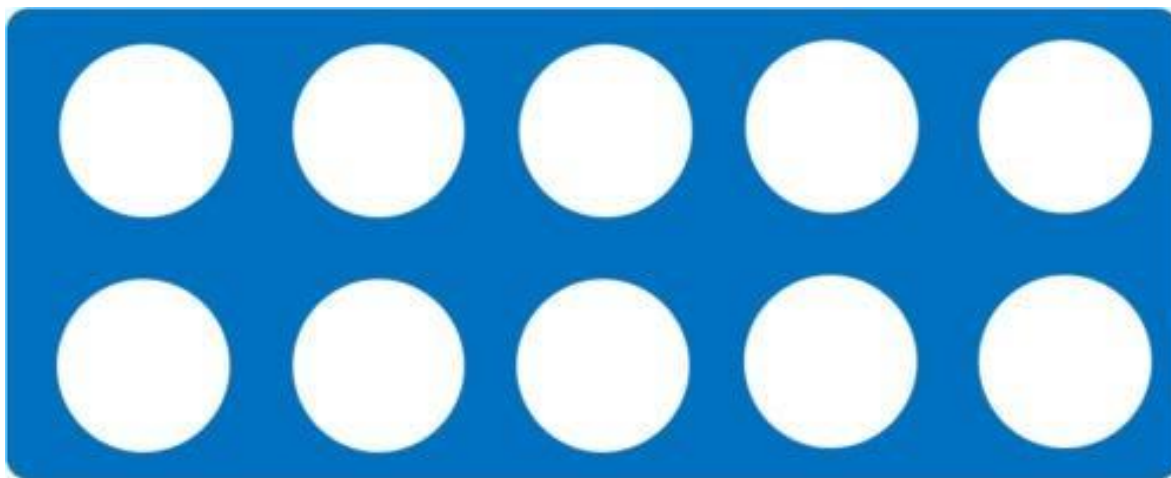

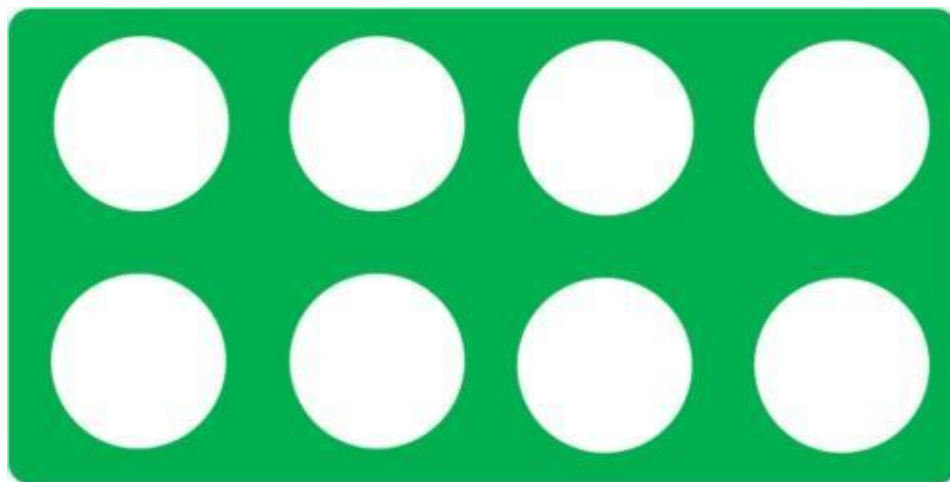

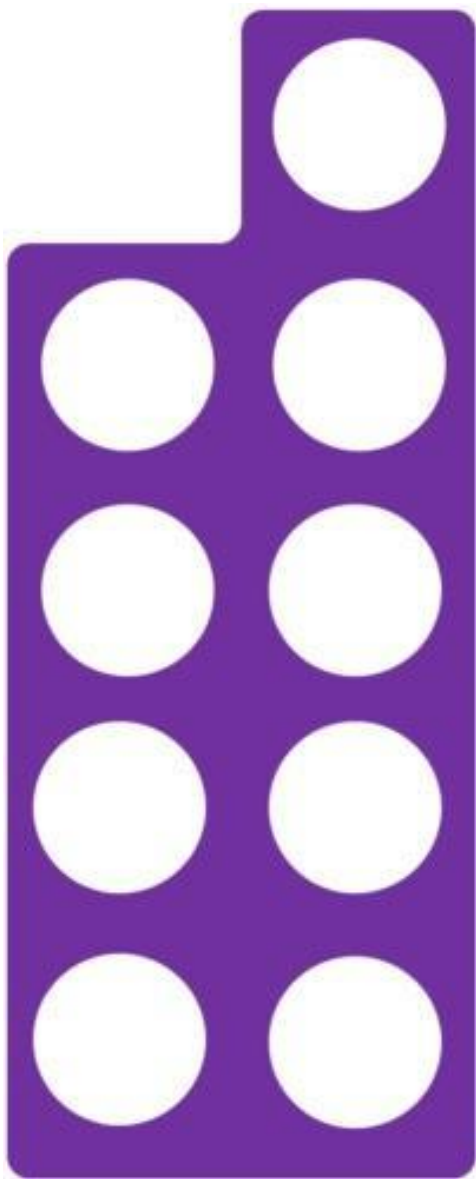

My favourite part of the story is _____

Write down what you think will happen next...

Cut out the numicon pieces and sort them into odds and evens. You can use them to build bigger numbers, to help with addition subtraction and counting in groups.

My hope for Year 1
