

Understanding the World

- Can you make a bug hotel using a box, tubes, sticks and plant pots?

Expressive arts and Design

Can you make your own mini beast parade, try using different craft and recycling materials.

Mini Beast Parade

Nursery

Learning from home: Mad About Mini beasts

Summer Term 2 Week 2

Physical development

Use loops of paper to create your own caterpillar paper chain!

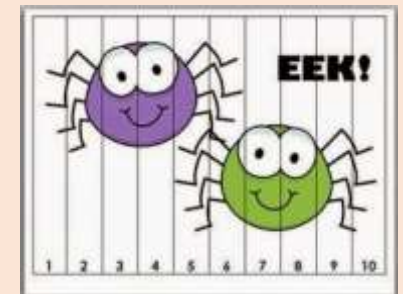

Literacy learning

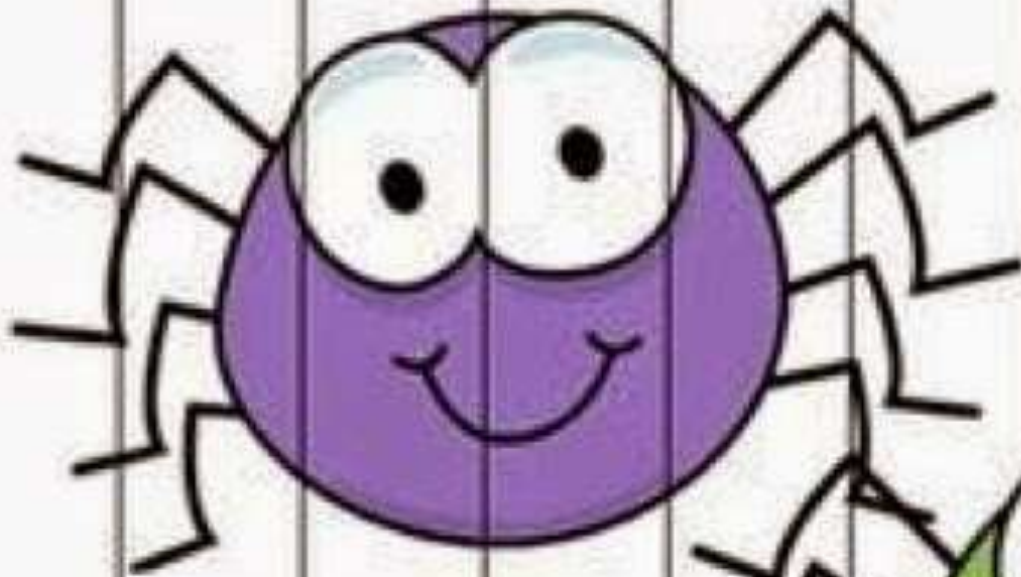

- Play 'I spy' in your garden. What different things can you see and what sound do they all start with?
- Practice writing your name.

Mathematics learning

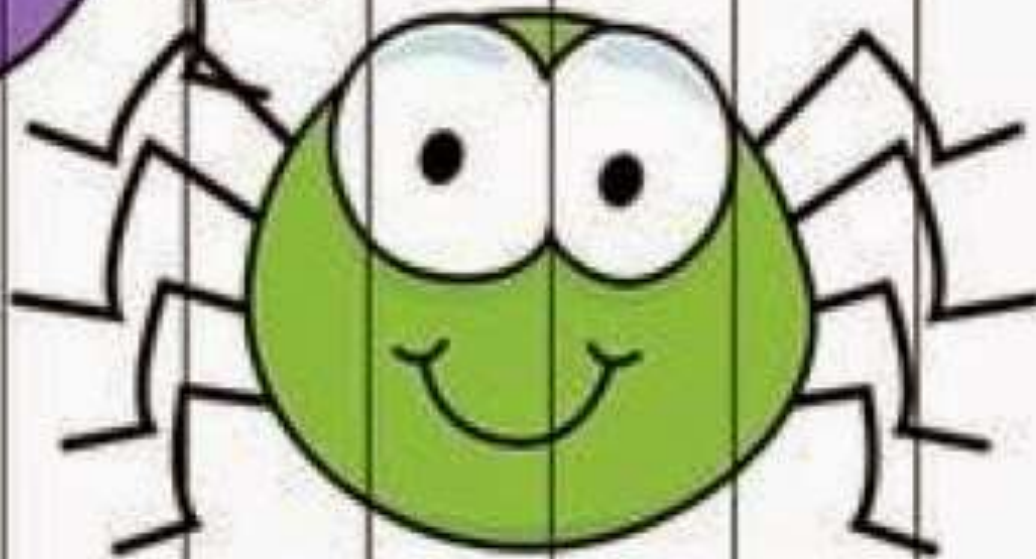

- Can you order numbers to 1-10
- Have a go at our bug counting activity attached, get a grown up to cut it up and see if you can solve the puzzle.
