Introduction to the text (Monday-Wow)
Large black cloth laid out on the floor, quiet music playing. Set out a cross in the middle and ask the children what the story could be about. Have the Children of God bible wrapped up and a basket of some objects linked to the first part of the story: battery powered candle, blue sky, dry land, oceans, flowers, sun, moon, stars.

Subject specific teaching to draw from the text...
M - ordinal numbers are used within this story and a good opportunity to look at 1st, 2nd etc with the children.
RE - we will look at the Christian book the bible and representations of the story in other bibles as well as use the Godly Play.
EAD - a great opportunity to incorporate basic art skills and represent the different days through painting/drawing/model making.
