

We are learning about families and people who care for me...

SPECIAL TIME

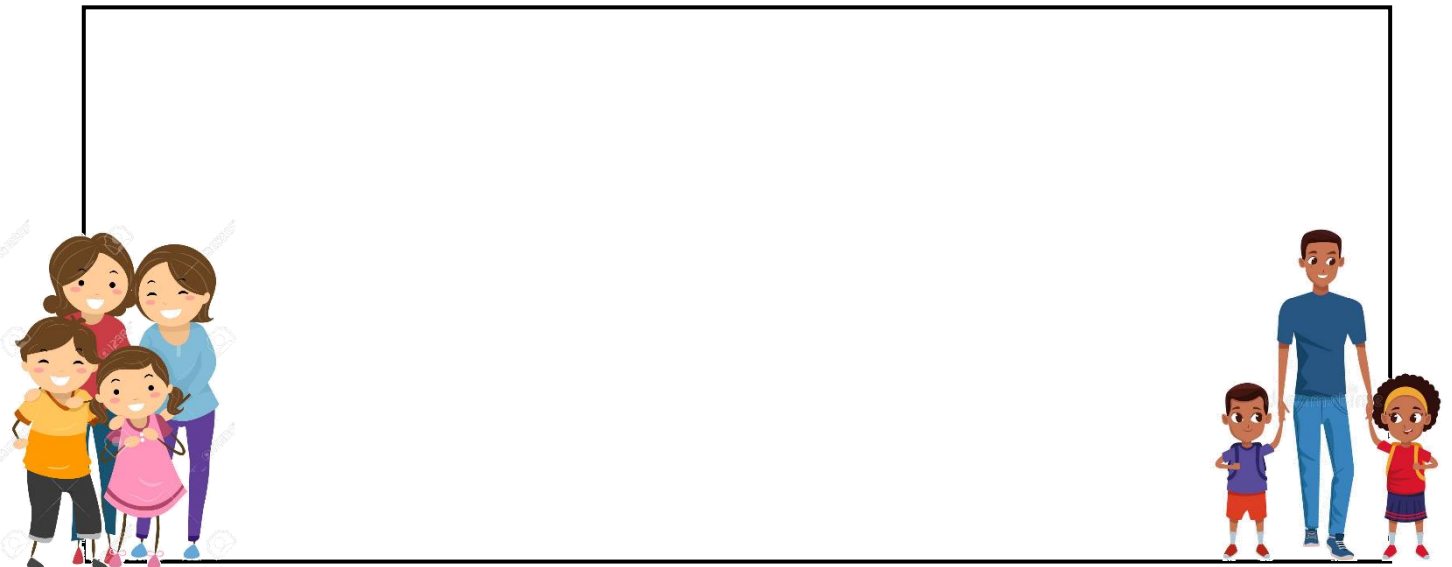

Spending time together as a family is a special time. Here are a few family challenges you could do together. Enjoy spending time together!

*Play a board game *Cook or bake something together *Go for a family walk

OUR FAMILY...

All of our families are special, can you draw your family together? Why not write a special word about each other next to your picture?

What happens when we disagree?

Sometimes when we are together we might disagree or fall out, for example if you miss your turn in a game. Here are some top tips to help you solve a problem together as a family.

- Stop the activity you are doing.
- Sit down together.
- Take it in turns to talk about the problem and how it made you feel.
- Work together to try and think of a way to solve the problem.
- Try out your solution.
- Talk about what we might do differently next time.
