March 2024

Welcome back,

I hope you have had chance to recharge the batteries ready for another short half term before Easter. Many exciting activities will be happening this half term and because it is only short, it is really important that your child tries to get to school every day.

The Penguins are really looking forward to their class collective worship next week and we hope that you can all join us.

Our parent's consultation meetings will take place on Wednesday 20th March. This is an opportunity for you to come and see the wonderful progress your child is making, as well as finding out about their next steps.

I look forward to seeing you all soon.

Physical Education

This half term, Year 1 PE sessions will take to place on a Tuesday and Friday. Please can you ensure that your child has their full PE kit in school on these days, including a pair of pumps that fit. This half term we are lucky to be having a specialist tennis coach teaching each week. Some lessons will be outside, so please ensure that your child has appropriate outdoor PE kit eg long sleeve jacket and tracksuit bottoms . Can I politely request that all of your child's kit is labelled with their name on. Changing for PE is often a time when uniform and PE kit can go missing. Ensuring your child's name is on their kit will make it easier for us to return lost items of clothing to you. Many thanks.

Thankyou!

Just a quick note to say thank you for all the support you have provided for your child during this year so far. This support has really benefited the children in their learning.

As you are all aware the phonics screening check will be taking place in June. Please look out for some work that we will be sending home to support your child's learning, please avoid booking any holidays during this time.

Our Christian value this half term is

Thankfulness

Through the use of different stories from the bible children will be discussing the importance of being thankful for the things we have.
