Wednesday 10<sup>th</sup> April 2024

Dear Parents and Carers,

Thank you to all of you who were able to attend our Easter Service lead by the Tremendous Tigers in church, they did a fantastic job and it was wonderful to celebrate this special time with you all. I hope you had chance to relax and enjoy some family time during the break, and some of the (brief) nice weather that we've had!

Please find overleaf a copy of the diary dates for the summer term. There are a few things I would like to draw your attention to.

On Wednesday 17<sup>th</sup> April at 5pm Mrs Bond and the Year One team will be leading a meeting for all parents of Year One pupils regarding the Phonics Screening Check coming up next half term. They will explain the process, provide you with some top tips on how you can support your child at home and hopefully allay any worries you have. Please come along to this if you can, we'll have a hot drink and a biscuit at the ready too!

On Tuesday 23<sup>rd</sup> April Mrs Lewis is leading two Marvellous Maths workshops for parents to find out about the methods which we teach. Often the methods we now use in school are different to those we were taught in school. We have lots of parents wanting to support their child in maths but feeling unsure how best to do this. During these sessions Mrs Lewis will explain and show you how we teach different strategies and answer any questions which you may have, please do come along if you can. The sessions will be split into Year One parents from 1.30pm-2.15pm and Year Two parents from 2.30pm-3.15pm.

#### Attendance

Congratulations to the Whales class who were our weekly winners the week before Easter with the highest attendance of 100%. They were also the half term winners and thoroughly enjoyed their Easter Hunt prize, well done! Well done also to Chinaza N who won our 100% attendance Movie Night reward box to enjoy with her family. Also a huge well done to Anastazja B who won our cinema voucher for remaining on track of 96% or above to date.

#### Year Two Transition

You will notice on the diary dates that we are already planning various events to support and ease the transition of our Year Two pupils onto their next steps in Year Three. There will be further dates to follow, but please put the Transition day of Wednesday 10<sup>th</sup> July in your diaries and look out for further information to come soon.

Last term was a busy term and one which saw lots of fantastic progress in learning, friendships made and team work strengthened. Thank you to all of you at home for all you do for your child and in support of the school. I'm sure you would join me in thanking our amazing team here at school and our governors who work hard behind the scenes to ensure that everyone is well cared for and supported. We look forward to continuing to work together over the coming term.

Yours sincerely,

L. Hargrave

They pass this way only once so we should aim to litter their pathway with quality experiences
