

Dear Parents and Carers,

Thank you to all of you who were able to attend our reading cafes this week with your children, it is always fantastic to see the hall so full of children enjoying sharing a book with their grown-ups. I'm sure they enjoyed this and the biscuit and juice always helps to act as an incentive!

Curriculum Evening

This Wednesday, 22nd May we have our curriculum evening from 5.30pm- 6.30pm in main school. This will be a chance for all children from main school and nursery to return in the evening with a grown up. There will be a quiz trail to complete around the different classes in school and different activities linked to the curriculum in each room to enjoy completing. Please enter through the side, hall entrance next to the Penguin's class and pick up a trail sheet from there. You are then free to complete the trail by visiting the classrooms throughout school and having fun exploring the different activities in the classrooms. In addition, Mr Price will meet you in the school hall if you would like to join in with a PE activity in the following sessions: Nursery and Upper Foundation Stage children 5.35pm-5.50pm, Year One children 5.50pm- 6.05pm, Year Two children 6.05pm- 6.20pm. This will take place outside (weather dependent) so please join him on the playground if you arrive a bit late for the session. At 6.20pm we would like the children to choose a classroom to go to for a final story linked to the curriculum and there will be milk and a biscuit for them to enjoy too! This is a brilliant opportunity for all children to become more familiar with different classes and adults in school in preparation for moving to their new classes in September, please do attend if you are able.

Staffing news

I'd like to share lots of exciting staffing news with you. Mrs Anderson, our much-loved Early Years lead is returning from her maternity leave Monday 8th July and will be getting to know our new starters about to join Upper Foundation Stage during this time. We are also really happy to say that Mrs Burton, who is currently teaching the Penguins class, has become a permanent member of our school family- we just couldn't let her leave as she has been such an asset to the team! We are also really looking forward to Miss Dutton and Miss McDermott joining our teaching team. They are both enthusiastic and skilled early career teachers who have undergone a rigorous recruitment process with us recently, only to pass with flying colours! We are so excited for them to join us and they have already made an impression on the children they met during the interviews. The Elephants will be getting to know Miss McDermott really well over the next few weeks as she will be teaching them from after the next holidays until the end of the school year. We are sure they will welcome her and have a great end to their time at All Saints with a fantastic teacher whom they will love. Mrs Fletcher and the rest of the Year Two team will, as always, be a support to the children as they undertake their transition to their new school.

Thank you for your continued support, have a lovely weekend.

Yours sincerely,

L. Hargrave

Miss L Hargrave

They pass this way only once so we should aim to litter their pathway with quality experiences
