Mrs Lewis and Miss Shepherd
June 2024

Growing and changing

I can't quite believe it is June already and as I write this we only have five more weeks together as a Leopards class family. I wanted to start by saying what an enormous privilege and pleasure it has been to teach all of the children in the Leopards this year. Miss Shepherd and I are so very proud of how far they have come since joining us in September. In every area they have grown and developed in maturity and we are blessed to have such a kind and thoughtful group of children who care so much about each other and the world. This half term is always a little bit special and a little bit different for our Year Two children as they start thinking about moving on to their new school. We are starting to talk about transition in class, with the aim of channeling anxiety into excitement and thinking positively about what it will be like in their new school, whilst at the same time giving them time to talk about their feelings. If you have any concerns about transition please do let us know: we have lots of opportunities for you to drop in over the next few weeks and we look forward to welcoming you into school to celebrate your child's time with us and say goodbye.

Physical health and mental wellbeing - RHE

Our current RHE topic is physical health and mental wellbeing. We have started by thinking about the importance that keeping our bodies healthy plays in keeping our minds healthy.

We are learning about the importance of getting at least ten hours' sleep each night, ways to relax and simple meditation techniques. We are also having lessons on sun safety, healthy eating and how to keep our teeth healthy.

Library books

Many of our Leopards enjoy using the school library and changing their books on a Thursday. Some children have not returned their library book to school for a little while and we'd love them to have the chance to use the library before they go! **Please take a look at home to see if you have any of our books, we will be asking for all books back in the next few weeks - Thank you!**

Dates for your diary
