

In our school adults help to keep us safe. Adults include teachers, teaching assistants, volunteers and lunchtime supervisors. Here are a few ways they do this:

All the adults in our school have the responsibility to keep us safe and protect us from harm. Sometimes they may need to speak to other people to do this.

We have assemblies about keeping safe and we sometimes have visitors like the NSPCC to talk to us.

Mrs Ballance, our Learning Mentor, is always there to make sure we feel safe, especially at playtimes. Grown ups can talk to her too.

We have a Rainbow Room where Miss Hutchinson will work with children who need any extra support and help, especially with managing and sharing their feelings and emotions. This room is also a lovely quiet and calm space.

At playtimes and lunchtimes, we have special zones to play in. If we are worried we can see a buddy or mediator who will help solve our problems. There is also a quiet zone children can go to to take part in different activities such as colouring, blowing bubbles and listening to music.

Through the RHE curriculum, we learn about different relationships and friendships and also how to keep our body and mind healthy. We also use the NSPCC Pants campaign to find out about keeping our bodies safe.

We have school rules to keep children safe at all times, especially on the computers. It is important that children know what to do if they feel unsafe online.

Remember, all staff are here to listen to you and help.

All the adults in our school are here to help and keep you safe. They are all trained and know what to do.

This is also our 'Helping Hand'. If you feel worried about something, you can ask to speak with a friendly face on our helping hand. They will always listen and help. They have extra training in knowing how to keep children safe and protect them from harm. Sometimes they may need to talk to your grown up at home or to other people to help keep you safe.

Helping Hand

This is our 'Helping Hand' if you feel worried about something come and find one of our friendly faces on our helping hand and we will help you!

We will always be here to listen to you and to help. Sometimes we may have to talk to other people to help keep you safe.

NSPCC PANTS

What are the PANTS rules?

Privates are private

Always remember your body belongs to you

No means no

Talk about secrets that upset you

Speak up, someone can help

What to do?

If you ever feel worried or unsafe (or ever get that 'uh-oh' feeling) you need to:

- Remember that it is not OK for other people to make you feel unsafe or to hurt you
- Speak out (it is always best to speak to a grown up in school or at home)
- Keep speaking out if you feel that you are not being listened to
- Everyone has the right to feel safe and to be treated fairly and with respect
