

Normanton All Saints (CE) Infant School

School Council Newsletter

Autumn Edition 2024

The School Council have been working hard this term raising money for charity and helping out within our local community. They wanted to share the amazing work they have been doing behind the scenes and thank everyone for the support that they have shown.

Hedgehog Fundraiser

The children supported Miss Ballance in our Hedgehog Fundraiser to support the Castleford Hedgehog rescue and took part in Hedgehog activities. They learnt exciting facts, made hedgehog food and won fantastic prizes.

Macmillan Coffee Morning

We wanted to share a **big** 'thank you' to everyone that supported the Macmillan Coffee morning. We raised a fantastic £525 in September for this amazing charity, the cakes were truly incredible! Well done to our bake off winners!

Litter Picking

More Recently, the school council came together to decide on ways we could help the community. Seth came up with a brilliant suggestion to help litter pick, and the children went to Normanton Library where we collected bags of rubbish. Great Job everyone.

The Big Sing

Last week, the children went to the Town Hall and recorded some songs for the talking newspaper. This helps people within our community who are blind keep up to date with local news and stories.

We hope that this spreads some festive cheer!

Coming up . . .

The School Council have been busy designing badges for classes to earn throughout the year. These include: the community badge, the animal, badge, the eco badge and many more! These will be placed on a school rosette and displayed proudly in every class room when they have earned them.
